

# EUROPE IN MOTION – EUMAT JOINT SESSION

Warsaw, wednesday 19<sup>th</sup> of September, 13:45-16:10

This half-day workshop has three major objectives:

- Show that Europe is present in key topics at scientific and technological levels through a number of initiatives
- Show that advanced materials are present in a number of projects in diverse areas
- Show an overview of running activities in EUMAT and Pitches for Project ideas for EU Project calls
